

Now Accepting Applications for Fall 2009 Internships with Congresswoman Betty McCollum

We are seeking energetic and proficient interns in the Washington, D.C. and St. Paul offices of Congresswoman Betty McCollum.

An internship in Congresswoman McCollum's office will provide valuable experience to students as they prepare for their professional careers. Interns have the opportunity to work with and assist all members of the congressional office staff on a variety of duties, including legislation, administration, outreach and press.

Washington, DC interns will be encouraged to take advantage of the many hearings, workshops and seminars that are held on Capitol Hill. St. Paul interns will also have the opportunity to attend some local functions and meetings related to the Congresswoman's work in the district.

We are happy to work with your college or university to arrange for academic credit for your internship. Applicants should be highly motivated and enthusiastic, as there are far more applicants than available positions.

The Application Deadline for FALL 2009 Internships is August 15th, 2009
